### **RESPONSIBILITY:**

AAA Western and Central New York acts as sales agents for the airlines, cruise ships, bus lines, hotels, car rental companies, and tour and charter operators who will actually provide the travel services you will enjoy on your vacation or business trip. The names of each of the companies agreeing to provide travel services to you are listed in your individual itinerary, travel vouchers, and tickets.

Because we act only as sales agents for these companies and maintain no control over their personnel or operations, only they can be responsible should any aspect of their travel arrangements not be to your satisfaction. Should you have any questions about the services provided to you by these travel service companies, please let us know as soon as possible so that we may assist you in adjusting the problem with them.

Moreover, since AAA Western and Central New York obviously will have no control over unforeseen events that may occur during the course of travel, AAA Western and Central New York must disclaim all responsibility and liability for any monetary, physical, or psychological injuries of any nature whatsoever arising from or caused by acts of terrorism, civil strife, disturbance, war, or other upheaval or negligent or criminal act of whatever kind and nature that occurs during your travel.

MINIMUM NUMBER OF 45 PASSENGERS REQUIRED TO OPERATE TOUR.

### **TOUR MEMBERSHIP/PHYSICAL DISABILITIES:**

Group travel requires a unique blend of adventuresome spirit, physical and mental alertness, and a capacity for accepting situations as they exist—and not necessarily as we would find them at home. If you have health concerns, we suggest you contact your physician to determine the suitability of one of our tours. We regret that we are unable to accommodate all requests for special diets, itinerary variations, wheelchairs, or for individuals who require special assistance.

To enjoy your tour to the fullest, you should be in good physical and mental health. Any physical disabilities must be reported to AAA at the time of your reservation. Tour participants who require extraordinary assistance must be accompanied by a helper who is entirely capable and totally responsible for providing the required assistance. This is to help you choose the AAA Vacation that is best for you and to ensure the smoothest and most efficient operation of our tours.
